VP PENCE HAS BROAD CONSTITUTIONAL AUTHORITY AND DISCRETION UNDER THE 12TH AMENDMENT OVER HOW THE JANUARY 6 JOINT SESSION SHALL BE CONDUCTED, **SHOULD HE CHOOSE TO EXERCISE IT**. THIS IS TRUE REGARDLESS OF LACK OF SUPPORT FROM RINOS.

"... Which lists they shall sign and certify, and transmit sealed to the seat of the government of the United States, **directed to the President of the Senate;—the President of the Senate shall**, in the presence of the Senate and House of Representatives, **open all the certificates and the votes shall then be counted** ..."

The Constitution itself does not explicitly define the limitations on the power of the President of the Senate within the Joint Session on January 6. In fact, it uses quite broad language and grants him a great deal of discretion.

The Twelfth Amendment states that the lists of electoral votes are DIRECTED TO the President of the Senate, i.e. the Vice President.

It then states that the President of the Senate SHALL ... OPEN ALL THE CERTIFICATES, and that the votes SHALL THEN BE COUNTED.

While there are several federal statutes under U.S. Code outlining the process for this vote counting and putting forward objections against electoral votes, the Constitution itself clearly designates the President of the Senate as the Presiding Officer, and basically "in charge."

VP Pence has tremendous Constitutional authority in the proceeding on January 6, if he decides to use it.

The RINOs will provide very little support, but it does not change this fact.

To address the obvious question:

## WHAT HAPPENS IF VICE PRESIDENT PENCE ELECTS NOT TO OPEN ONE OR MORE CERTIFICATES OF ELECTORAL VOTES?

It is unknown, but obviously a possibility.

And if the House of Representatives shall not choose a President whenever the right of choice shall devolve upon them, before the fourth day of March next following, then the Vice-President shall act as President, as in case of the death or other constitutional disability of the President.—]The person having the greatest number of votes as Vice-President, shall be the Vice-President, if such number be a majority of the whole number of Electors appointed, and

if no person have a majority, then from the two highest numbers on the list, the Senate shall choose the Vice-President; a quorum for the purpose shall consist of two-thirds of the whole number of Senators, and a majority of the whole number shall be necessary to a choice. But no person constitutionally ineligible to the office of President shall be eligible to that of Vice-President of the United States.

Didn't even have to break out the tear gas or anything so far antifa has put up more of a fight in protest than anybody from our side has.

Correct. To have an elector invalidated BOTH house+senate need to NOT CERTIFY. Once Julius Ceaser was casted out by his SENATE, he crossed the RUBICON and that started the CIVIL WAR. Trump will cross the Rubicon after the RINOS and DEMONRATS certify the FRAUDULENT FAKE ELECTION, and Millions of ARMED READY TO DIE PATRIOTS Will DESTROY AND SMOKE those FUCKING LIBTARD COMMIE CUNTS . I agree with this, though I don't want anything bad to happen regardless. It's kind of pointless to enact a false flag when we are already living under totalitarian rule under the guise of COVID-19 and the US Presidential election was blatantly stolen in front of the people's own eyes and all in power are standing around right now saying, so what? What are you going to do about it?

I do expect that a little over a month from now, we'll all be resting easy as Big Daddy T lays an end to the riots. I fully expect them to try to Impeach him if he doesn't arrest the heretics. 2020 is nothing compared to draining the swamp in 2021.

The Pedes under Trump on January 6th:

"And the Lord spoke to Moses, "Go to Pharaoh and say to him, 'Thus says the Lord: "Let My people go, that they may serve Me. But if you refuse to let them go, behold, I will smite all your territory with frogs. So the river shall bring forth frogs abundantly, which shall go up and come into your house, into your bedroom, on your bed, into the houses of your servants, on your people, into your ovens, and into your kneading bowls. And the frogs shall come up on you, on your people, and on all your servants.'" ~Exodus 8, 1-4

We should have a way to identify fellow T\_D people in the crowds. Maybe a sticker or something.

How bout we go one further.....

The Great American Reset By We The People USA

The men who risked every thing in 1776 had no permission from anyone. They had moral permission. Right from wrong permission. They fought against tyranny to give us this great land. Understand This: Government Cannot EVER Function without the expressed consent and confidence of WE THE PEOPLE!

Therefore: Consent and Confidence may be withdrawn at anytime. It can happen en masse and one single day. Imagine what 74 plus million people can do at one time in one day. Whatever they choose.

Recommendation: On January 20, 2021, WE THE PEOPLE (74 plus million) occupy every corrupted STATE/LOCAL Legislature and Bureaucracy. We create Autonomous Zones and accept all resignations, institute transition governments and hold new elections in six months.

Not LEO, nor Military with intervene. All we need is pitchforks and people to pull off the Great American Reset. Not one shot fired!

Share, Coordinate, and Activate on Independence Day 2. January 6, 2021
